City of Arlington

15 miles from Downtown Fort Worth and 20 miles from Downtown Dallas, Arlington is known for being the entertainment capital of Texas. The city is home to the Dallas Cowboys' AT&T Stadium complex, Texas Rangers' Globe Life Field, Globe Life Park, Six Flags Over Texas, Hurricane Harbor, and soon The National Medal of Honor Museum.

Arlington has been fortunate enough to become home to DFW's most prized sports teams the Dallas Cowboys and Texas Rangers. The Cowboys are currently residing in a \$1 billion state of the art stadium that not only serves for game needs, but also is a significant entertainment venue for many big-time artists and events. The Texas Rangers are residing in to their new \$1.2 billion stadium/entertainment venue, Globe Life Field, to match their neighbor next door in AT&T Stadium. The former Texas Ranger Stadium Globe Life Park is home to the XFL, North Texas Soccer Association & The Dallas Jackals Rugby Team. The stadiums along with the other entertainment attractions make Arlington a hotspot in the DFW area.

Arlington is also home to the University of Texas at Arlington, a Division I University with an undergraduate enrollment of approximately 30,000. The school offers the area a wide range of development opportunities that work to generate economic preservation for the surrounding area.

Arlington also hosts the largest business park in North Texas and one of the fastest growing research institutions in the United States. The City is a welcoming host for many large corporations with a stellar incentives package that entices new corporations to move their headquarters to Arlington. The current population of 375,000 is alive and thriving due to the sufficient amount of capital that has been brought to the area. The Arlington quality of life is second-to-none with a low cost of living, 4,600 acres of park land, and ease of access to the rest of the metroplex and DFW International Airport. Arlington has a mean income of \$66,695 — substantially higher than the national average and another true testament to Arlington's way of life.
